

payitmonthly

Why choose to PayItMonthly?

- An easy alternative to paying for your goods or services upfront, with no interest or additional fees added. Simply put – 0% APR.
- A quick and easy online application returning an instant decision.

SIMPLY START A BIZ has chosen to work in collaboration with PayItMonthly in order to be able to offer you up to 12 months interest free credit. You can do this on selected products or services online or over the phone.

You can speak to your retailer to find out if your product or service is available on finance. And of course, if you have any questions about the finance, you can call one of our friendly team on 0333 212 2141; or visit our website www.payitmonthly.uk

FAQs:

Are there any requirements for me to be able to apply?

In order to be able to apply, you will need –

- To be between 18 and 80 years of age
- To have a current UK bank account
